APRIL

April 4th, 6th, 7th

- CMAS Testing

Hello Thornton Middle School Cougars and community!

Welcome to March! My name is Mrs. Tubac. I am one of the Instructional Coaches as well as the State Assessment Coordinator here at Thornton Middle School. We are almost halfway through the second semester and we are moving right into state testing season! (Where is the time going?!)

For many of our students, this will be their second state test of 2023. Over 200 of our Multi Language Learners did an AMAZING job taking the ACCESS test in January with the support of our incredible English Language Development (ELD) teachers!

The second week after spring break, on April 4th, 6th, and 7th, the ENTIRE school will participate in our yearly state CMAS testing (Colorado Measures of Academic Success) for Math and English. And on April 10th, 8th grade students will also participate in the CMAS Science assessment.

This year we are doing a building-wide CMAS testing schedule for April 4th, 6th, and 7th to reduce the amount of interruptions to instructional time and provide more regularity to the remainder of the school year.

In preparation for testing we will be doing another round of chromebook checks to make sure that the devices that students are currently using, are the ones checked out to them and to be aware of any issues. If your student is having issues with their chromebook or charger, or has lost their chromebook or charger, they need to stop by the library for support.

There is some more information about the importance of CMAS and ways you can support your student included in this newsletter.

Thank you for your partnership in your student's educational journey!

Elizabeth Tubac

2024 Tour To Puerto Rico

Informational Meeting

Thursday March 9th

5:00pm

Thornton Middle School

We are thrilled to announce that you are invited to our meeting about the 2024 tour to Puerto Rico for your student. To attend, please be sure to register through this [LINK](#). This is an amazing opportunity for your student to learn more about our country, gain new perspectives, get out of their comfort zone, and build skills for the future.

Join us for the chance to enroll and go over everything about the trip including:

- What we'll see and do
- Travel logistics
- Safety and flexibility
- How to earn high school credit
- Affordable payment options and more

To attend, you must register through this [link](#).

Questions? Email me: rebekah.bair@adams12.org

Register to attend our meeting using this link. If you can't make the meeting, but would still like to learn more, select: "No, but send more information" to stay informed.

I look forward to seeing you there!

Rebekah Bair

CMAS Testing Information

April 4th, 6th & 7th

Why do these scores matter?

- CMAS and MAP scores are used as a data point for placement into high school programs such as advanced classes, remedial courses, as well entry into tech programs (Future Forward and Bollman)
- The state uses CMAS scores to rate schools and for funding purposes.

How can families support their student(s) in CMAS and MAP scores and their education in general?

- Encourage students to complete all assignments and learning activities in all their classes, especially making sure that students make up all assessment opportunities.
- Be involved in the student's academics. Ask questions about what students are learning and ask to see work sent home. Log into Infinite Campus and ask about scores.
- Remind students of your expectations for their learning and to follow school expectations so that all students are able to learn and grow.
- Reach out to teachers and the school with any questions around your student's education. We are all here to partner to support students in learning and growing.
- Remind students to bring a charged chromebook to school EVERY DAY.
- Reading at home makes a BIG difference in students' learning!

Day of Testing

- Encourage your student to have a goodnight sleep the night before.
- Encourage your student to have breakfast on the days of testing, whether it is at home, or getting free breakfast in the TMS cafeteria!
- Remind students to bring their charged chromebook AND charger the days of testing.
- Encourage your student to do the best they can that day and to be mindful of the other students taking the test so that they can also do the best they can. TRY on every question. We want to know what you know of the standards. It's okay if you are unsure, the best thing you can do in any situation is try.

Teachers are teaching and assessing the standards set out by the state of Colorado in classes daily. These are the standards that are assessed on CMAS.

What supports are in place at TMS to support students with CMAS?

Students take fall, winter, and spring MAP in reading and Math. These tests support students in experiencing a testing environment. This also provides standardized data to teachers to help support student learning.

Where can families go to find more information about CMAS and the standards in Colorado?

Adams 12 Five Star Schools information: <https://bit.ly/3ZkKiC3>

FLEX Lab Update!

FLEX Lab at the Thornton Middle School location will no longer be operating due to very low attendance.

Students may attend any FLEX Lab location regardless of where they live or what school they attend, including the sites that are currently operating:

Horizon High School - Tuesdays and Thursdays, 5:00pm-7:00pm
Northglenn Middle School - Tuesdays and Thursdays, 4:30pm-6:30pm
Silver Hills Middle School - Tuesdays and Thursdays, 4:30pm-6:30pm

****A fourth FLEX Lab site at Thornton High School on Tuesdays, 3:30pm-6:30pm, beginning the week after spring break on Tuesday, March 28.

Just a reminder that there won't be any FLEX Lab at any of the sites during the weeks of March 13-17 and March 20-24!

JOIN GIRLS ON THE RUN

Teams practice 2x per week for 10 weeks with trained coaches. Girls will...

- + Connect and engage with peers in a safe environment
- + Gain confidence in who they are on the inside and out
- + Learn to give and receive support
- + Develop critical social and emotional skills
- + Be physically active

Why it matters

IT'S FUN. IT'S EFFECTIVE.

Our curriculum blends physical activity with social-emotional skill development that enables girls to manage whatever comes their way. Our trained coaches lead our teams to accomplish their goals and realize their limitless potential.

Practice days & times: Tuesdays & Thursdays 4:30-5:20

Location: Thornton Middle School

First day of practice: Tuesday, March 7

Cost*: \$20

*scholarships available

ATTENDANCE

Contact Information:

Attendance Line - 720-972-5198

Nancy Bender - Attendance Secretary
720-972-5169 -
Nancy.L.Bender@adams12.org

If your student arrives more than five minutes late for school, please have them stop at the Attendance Office to get a late pass. They should do this as soon as they walk in the school building. The reason this is an important step is to make sure that your student's attendance is updated and corrected.

Checking Your Student Out Early

We understand that there will be times you will need to check out your student from school early. When doing this you **MUST** come inside to the main office window to sign them out. You will need a **picture ID** and you must be on the authorized pick-up list for the student you are checking out in the Infinite Campus system.

Cougar News

Office Hours

As a reminder the office hours at Thornton Middle School are as follows:

8:30am - 4:45pm Monday - Friday

Student Drop-Off

**Thank you for your
help on this request!**

Please do not drop your student off before 8:30am in the mornings.

Students will not be supervised and cannot be in the building prior to 8:30am.

Breakfast is available starting at 8:30am every day for every student.

If students are involved in a morning club, they must have a pass from a teacher to enter the building before 8:30am.

District Weather Policy

Process for School Closures and 1-hour Delayed Starts:

In the event of inclement weather, Adams 12 Five Star Schools uses a variety of resources to determine if conditions exist that warrant a 1-hour delayed start or closure of schools.

If conditions pose a concern for student and staff safety, the district will make every effort to announce a decision by 5:30 a.m. to close or delay opening schools. A 1-hour delayed start or closure will be communicated in several different ways, including:

- District website
- School websites
- Local media outlets
- Email and text message to parents
 - Ensure your information is up-to-date in Infinite Campus
 - In order to receive text messages, opt-in today by texting “YES” to 67587
- District’s hotline (720) 972-4000
- Social media (Facebook - Twitter)
-

Keep in mind, you will only receive alerts if schools are closed or operating on a 1-hour delay. If schools are open and operating on a normal schedule you will not receive an alert.

If schools are open but a parent feels, based on personal circumstances, that conditions pose a safety concern for their child getting to or from school they can call the school for an excused absence.

Cougar News

Infinite Campus - Parent Portal

Did you know that Parent Engagement has a direct correlation to student success?

Students with engaged parents are more likely to have higher self-esteem, lower absenteeism and earn high grades or test scores. So what are you waiting for? Log into Campus Parent and get engaged today!

PARENT FAVORITES:

- Accessing student grades
- Give that praise and encouragement for that A or B they studied hard for!
- Review attendance and absences
- Get real-time notifications if your student is absent
- Seeing assignments due or upcoming exams

Connect Today

Campus Parent can be accessed on the web (login information is received from your district), using the Campus Parent mobile app.

Free Counseling Sessions for Youth

The Office of Behavioral Health has launched **IMatter**, a program to provide up to three free counseling sessions for Colorado youth, as a part of House Bill 21-1258 (more information below). Parents can sign up and get resources and therapy sessions for their child. Youth, ages 12-18, can sign up for mental health sessions. Check out this article from [Chalkbeat for more information](#). You can order I Matter materials free of charge through this [form](#).

The Colorado Office of Behavioral Health and its partners have launched IMatter, a program that provides up to three free counseling sessions for Colorado youth.

Get Connected

Youth and their parents can visit the I Matter platform to take a confidential online survey about their mental health and schedule sessions with a licensed behavioral health clinician, primarily online over telehealth. All Colorado youth ages 18 or younger—or 21 and younger if receiving special education services—are eligible to receive free services.

Contact Information

- For general inquiries about the program, contact elizabeth.owens@state.co.us.
- To inquire about being a provider within the program, contact providers@imattercolorado.org.
- To receive help with the website or support in scheduling a session, email support@imattercolorado.org.

Free/Reduced Benefits

Apply now for meal benefits for the 2022-23 school year. We are asking all families to apply to support potential funding or benefits that go beyond meals. Remember all families must reapply every year.

Apply today at www.adams12.org/myschoolapps. Please be sure to submit an application. Your household's free and reduced-price lunch program (school meals) application can help your family access discounted internet and phone costs and secure additional funds for your school. If your household qualifies for school meals, you might also qualify for P-EBT.
